WELCOME !

Congratulations on taking the first step in creating your beautiful smile! We understand that seeking dental treatment can be overwhelming but at Bendigo Orthodontic Specialists we aim to help you feel welcome and comfortable in our practice, providing high quality orthodontic treatment in a friendly, approachable and understanding manner to all our patients. Please visit our website (www.bendigoorthodontics.com.au) for additional information and what you can expect at appointments.

YOUR ORTHODONTIST

Dr Haylea Blundell was born in Bendigo, completing her Dentistry degree at LaTrobe University (Bendigo) and specialist Orthodontic training at The University of Queensland (Brisbane). Dr Haylea aims to provide high quality, evidence-based orthodontic treatment, building rapport with her patients and their families, and creating beautiful smiles.

We coordinate your treatment with your general dentist and, at times, other dental specialists may be involved with your treatment to provide a healthy, beautiful smile.

a reason to smile
